## **2021 Spring Cleanup**

Dear Village of Blue Mounds Resident:

The date of the 2021 Spring Cleanup has been set for **Saturday May 1, 2021**. The hours are from **8 a.m. until noon** at the Public Works Garage located at 10961 County Highway ID. **This opportunity is only for residents of Village of Blue Mounds.**

If you have any items listed on the back of this page **after** the 2021 Spring Cleanup, you will need to contact Town & Country Sanitation directly to arrange for pickup and payment for those items. Their toll-free number is (800) 626-1915.

Please note that a compost area is located beyond the salt shed for leaves and grass clippings. **THIS IS NOT A DUMP - NO GARBAGE, please put the compost in the back of the container.** The Village **will not pick up** yard waste, so please bring it to the compost site. **Please place your branches very close to and parallel with the curb every other Thursday starting May 1<sup>st</sup> until October 30<sup>th</sup>** for pickup by Public Works employees. Any yard waste, grass, or weeds co-mingled with branches will not be picked up as these items cannot be put through the chipper. Tree limbs and branches can also be dropped off to the south of the compost area.

Town and Country Sanitation doesn't pick up waste oil so if you have cooking oil, engine oil, antifreeze or any other hazardous material or chemicals **do not flush these items down the drain as it harms our wastewater treatment plant, instead call Public Works, at 576-0036 or 577-4694, and we can assist you in disposing of these items.**

Just a couple of additional reminders, all sump pumps must be discharged at grade and not be going down a drain. It is illegal to blow grass clippings into the streets. Spring cleaning means cleaning up your trees so if they hang over the street and you don't want public works to trim them please do so yourself.

Thank you,

***Dan***

Dan Foster  
Superintendent of Water & Sewer

***Kim***

Kim Ipsen  
Superintendent of Streets & Parks
